# PROBLEM STATEMENT

During funeral ceremonies, many Tamil families face confusion due to:

- Lack of clear step-by-step guidance
- Differences in regional and family customs
- Limited access to knowledgeable elders
- Younger generation not fully aware of traditional rituals

## Who is Affected?

- Tamil families handling rituals for the first time
- People living away from native places or abroad
- Younger generations unfamiliar with cultural practices

# PROPOSED SOLUTION

A mobile application that provides structured guidance for Tamil Sear Sadangu rituals.

## How it Solves the Problem

- Offers day-wise ritual instructions
- Provides simple explanations in Tamil (and English option)
- Includes required materials checklist
- Helps families follow traditions confidently and correctly

# HOW IT WORKS

## APPLICATION WORKFLOW
